

YMHT is a club exclusively for young people.

This club is designed to let our youth talk with their peers about what's going on today. This provides a safe or comfort zone where we can facilitate discussions about social topics such as smoking, drinking, and peer pressure, weapons in school, drugs, to name a few. We may talk about the needs in our community and ways to get involved. Parents are always welcome to stay for meetings or feel free to pick up your child at the end of the session. There is no membership fee, just fill out and sign the below form and turn it in before our next meeting.
